Why You Should Choose Us

Choosing BENZOL lighting means opting for excellence in every aspect of lighting design and implementation. Our commitment to quality ensures that you receive only the finest materials and the latest technology, tailored to meet your specific needs. With years of experience and a team of dedicated professionals, we pride ourselves on our personalized approach, guiding you through the selection process to find the perfect solutions for your space

Our Mission

Our mission is to illuminate spaces with innovative and sustainable lighting solutions that inspire and enhance the lives of our customers.

Our Vision

To be the leading provider of innovative, sustainable, and energy-efficient lighting solutions that illuminate spaces, inspire creativity, and enhance the quality of life for our customers.

Lighting Design

We go through the drawings in detail and propose lighting products as per your requirements. We use DIALUX software for detailed lux design calculation and we make sure that our design proposal is meeting each and every corner of your requirements as per CIBSE standard.

Supply of LED Fixtures

We supply luminaires from reputed lighting manufacturers and it is covered with 5 years replacement warranty. All our products are equipped with one of the best LED chips from CREE, OSRAM, PHILIPS and SAMSUNG and having 50,000 burning hours.

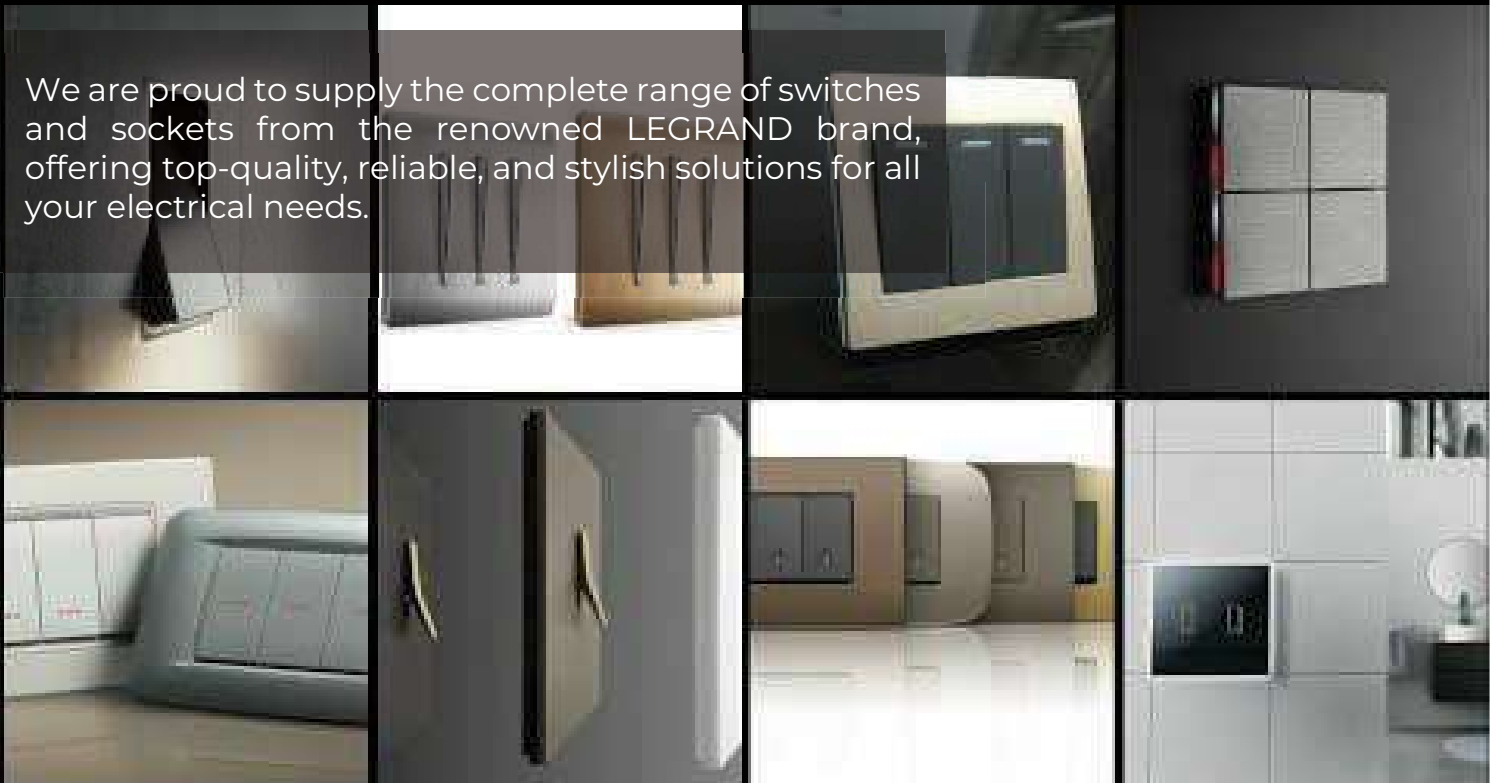

Bespoke lighting Solution

We specialize in creating fully customizable decorative pendants to match any model or design concept you have in mind. Whether you're looking for a specific style, size, material, or finish, we offer a wide range of customization options to ensure your pendant perfectly complements your space and vision. Our team works closely with you to bring your ideas to life, whether you're after a sleek modern design, a vintage-inspired piece, or a completely bespoke creation.

Switches and Sockets

We are proud to supply the complete range of switches and sockets from the renowned LEGRAND brand, offering top-quality, reliable, and stylish solutions for all your electrical needs.

Project Type

Commercial

Office Complexes & Retail Spaces

We specialize in delivering exceptional lighting solutions for commercial projects of all sizes. We have top quality products of Spot lights, Down lights, Suspended Linear fixtures, Surface and Recessed mounted 60X60 , Cove Lighting , Recessed linear profile, Office lighting etc.. Our team understands the unique challenges and demands of commercial environments, from retail spaces to corporate offices and hospitality venues. Retail Applications

We recognize that lighting plays a pivotal role in shaping the retail experience. Our expertise in retail applications enables us to create captivating lighting solutions that enhance product visibility, elevate brand identity, and foster an inviting atmosphere for customers. We work closely with retailers to design customized lighting strategies that highlight key merchandise, guide customer flow, and create engaging displays. With a focus on energy efficiency and sustainability, our innovative solutions not only reduce operational costs but also contribute to a positive shopping environment. Let us help you illuminate your retail space in a way that attracts customers and drives sales.

Retrofit Solution

We specialize in retrofit projects that breathe new life into existing spaces while enhancing energy efficiency and performance. Our team is dedicated to providing innovative lighting solutions that seamlessly integrate with your current infrastructure, minimizing disruption and maximizing value. Whether upgrading outdated fixtures or incorporating smart lighting technology, we work closely with you to design a retrofit plan that meets your specific needs and budget. By transforming your environment with modern, energy-efficient lighting, we help reduce operational costs and improve sustainability, all while enhancing the aesthetics and functionality of your space.

Landscape Lighting

We believe that your outdoor spaces deserve to shine just as brightly as your interiors. Our landscaping lighting solutions are designed to enhance the beauty and functionality of your gardens, pathways, and outdoor living areas. With a focus on creating ambiance and safety, we offer a range of stylish and energy-efficient fixtures that highlight your landscape's unique features while providing practical illumination.

Project Type

Hospitality

Our specialized lighting solutions are designed to enhance the ambiance of hotels, restaurants, and event spaces, transforming environments into welcoming and engaging settings. We focus on balancing functionality with aesthetic appeal, ensuring that each area—from cozy lobbies to elegant dining rooms—shines with the right atmosphere. By incorporating energy-efficient technologies, we help hospitality venues reduce costs while maintaining a luxurious feel. Let us partner with you to craft exceptional lighting experiences that captivate your guests and elevate your brand.

Education

We believe that effective lighting is essential for fostering an inspiring and productive learning environment. Our education lighting solutions are designed to enhance the functionality and aesthetics of classrooms, libraries, and collaborative spaces. We prioritize energy efficiency and adaptability, offering customizable lighting systems that can be tailored to various teaching styles and activities. By improving visibility and creating a comfortable atmosphere, we help enhance student focus and engagement. Let us work together to illuminate your educational spaces, creating dynamic environments that support learning and innovation.

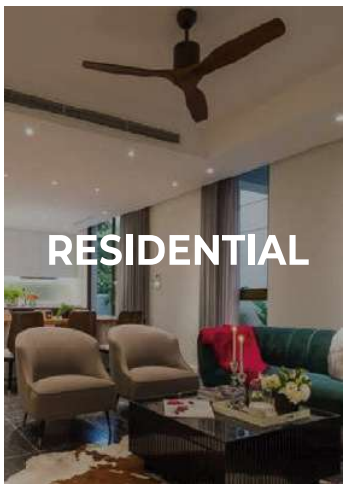

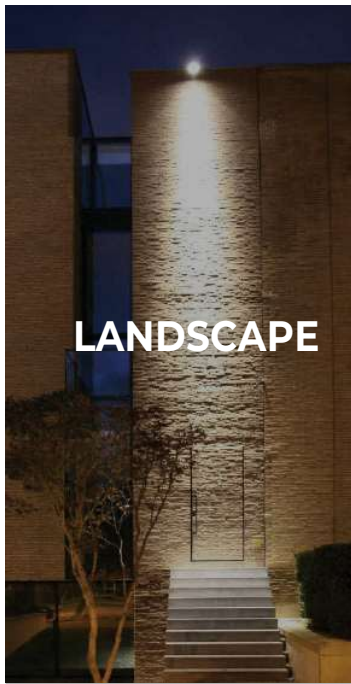

Tailored Luminaires

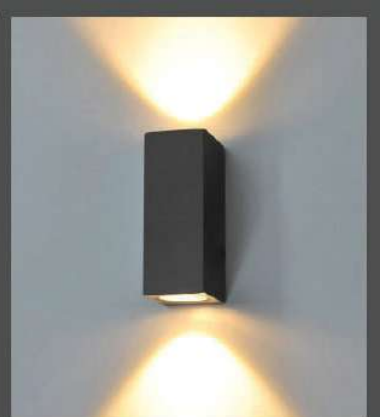

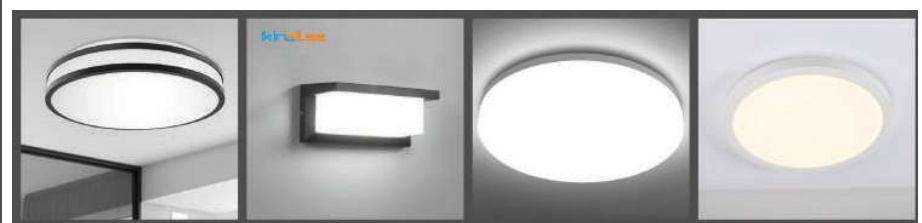

We take pride in offering customized luminaires that perfectly blend form and function to meet your unique lighting needs. Our team of skilled designers collaborates with you to create bespoke lighting fixtures that enhance the aesthetics of your space while providing optimal illumination. Whether you're looking for a striking centerpiece for a commercial setting or a subtle accent for a residential environment, we craft luminaires that reflect your style and vision. With a focus on quality materials and innovative designs, our custom solutions not only elevate your interior or exterior spaces but also ensure energy efficiency and sustainability. Let us help you illuminate your world with personalized luminaires that truly stand out.
